5 UNITED STATES DISTRICT COURT
6 NORTHERN DISTRICT OF CALIFORNIA

7
8 ERIC LIGHTER, No. C 12-6250 SI (pr)
9 Plaintiff,

ORDER

10 v.

11 U.S. GRAND JURIES FOR THE
12 NORTHERN DISTRICT OF
13 CALIFORNIA; et al.,
14 Defendants.

15 The court dismissed this action as frivolous and entered judgment on April 18, 2013.
16 Plaintiff then filed a notice of appeal. The Ninth Circuit has referred the matter to this court to
17 determine whether *in forma pauperis* status should continue for plaintiff on appeal or whether
18 the appeal is frivolous or taken in bad faith. Upon review of the plaintiff's filings and the court's
19 orders, the court now determines that the appeal is frivolous and revokes plaintiff's *in forma*
20 *pauperis* status.

21 IT IS SO ORDERED.

22 Dated: May 4, 2013
